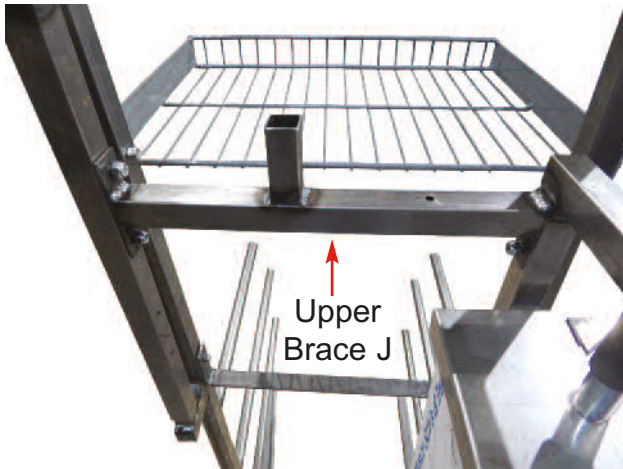

Figure 3

Figure 4

- 8.** Slide the shorter pole (G) (figure 1) through the plastic sheeting box and install onto the right side of the lower rear tray on the back of the masker. Place the top plate (E) (figure 2) on the top of the box. Attach post (K) to the middle brace (I) (figure 3). Attach the pole (G) to the post (K) (figure 4)

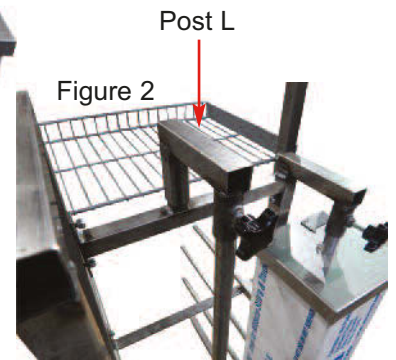

Upper  
Brace J

- 9.** Attach upper brace (J). This brace bolts to the blade post (F) on the left side and post (K) on the right side

Figure 1

Post L

Figure 2

- 10.** Attach the longer pole (G) to the left side of the lower rear tray on the back of the masker (figure 1) and then attach post (L) to the upper brace (J) and to the pole (G) (figure 2)
