

1,500 lb. Capacity Engine Lift Package

- This package includes No. 2002 floor crane and No. 4305 engine load leveler — two pieces of equipment that you need to handle and position large, bulky components, and at an affordable price.
- The load leveler hooks to the floor crane and may be adjusted to compensate for off-balance loads, or angled when positioning a component.
- The floor crane easily folds up for storage, conserving valuable floor space in your shop.
- The floor crane's front wheels are 3-1/2" with 5-7/8" rear casters.

No. 2003 – 1,500 lb. Engine lift package. Wt., 200 lbs.
