1.

Insert long cross beam into corner upright.

2.

Work your way around the Deluxe Parts Station inserting cross beams into the corner uprights as shown above.

3.

You should now have 2 long and 2 short cross beams inserted into all 4 corner uprights as shown above.

4.

Insert Wooden Shelf into the bottom of the Deluxe Parts Station.

5.

Place Metal Shelf on top of the Wooden Shelf. You are now finished with the bottom shelf section.

6.

Insert Cross Beams into the Corner Uprights at the middle of the Corner Upright (or desired location) for the second shelf the same way you did for the bottom shelf.

7.

Work your way around all 4 sides on the Deluxe Parts Station inserting cross beams until you have all 4 sides done as above.

9.

Insert the last 4 Cross Beams at the top of the Corner Supports to finish of the Frame of your Deluxe Parts Station.

11.

If you purchased model with fencing, insert the 4 fencing pieces into the bottom shelf. Otherwise move to next page.

8.

Insert Wooden Shelf into the Cross Beams as was done for the lower shelf. Place Metal Shelf on the Wood Shelf. (Metal shelf only for 1050-M & 1050-MF models)

10.

Top of Deluxe Parts Station should appear as above when finished inserting Cross Beams

12.

Feed Fencing Ties through the Fencing Piece and the Corner Upright and fasten it securely at the top and bottom of each piece.

13.

Carefully lift each corner of the unit and screw each Caster onto the bottom of each Corner Upright

14.

Insert all 4 caster until all corner uprights are done as shown above.

15.

Place your hanging hooks wherever desired and enjoy your Champ Deluxe Parts Station!
